**"Our day was everything we could have dreamed of and more." Nicole & Brian, July 2008**

The lovely Champlain Ballroom accommodates up to 250 guests. Windows bring in natural light and look out to a romantic Gazebo surrounded by a garden that is unassuming in its quiet grace. Ceremonies are lovingly performed here surrounded by friends and family as the Bride's processional walks among day lilies and ivy and the groom and his groomsmen wait in anticipation under the Gazebo and the shade of tall pines.

The Gazebo is also an inviting location for the Cocktail & Hors d'ouvres hour. Guests mingle and enjoy savory treats passed by our impeccably polished service team.

**“It was exactly how I had envisioned it. I wouldn’t change a thing.” Rachael, May 2008**

Enter the Ballroom and see that every detail has been flawlessly executed. The flowers are beautiful, the place settings sparkle and the candles glow. With brass chandeliers and gently lit wall sconces, the setting is festive, celebratory and romantic. Couples are swept away with the happiness and affection filling the room as they are announced to applause and take their seats for a delightful dining experience.

Executive Chef Joe Brooks and his talented staff create meals that have been garnering outstanding praise for their excellence and selection. The planning stages include a taste test where couples can make sure they have the chance to sample what will be served, as well as to spend some quality time with the Wedding Coordinator and the Banquet Manager; the people who will be there for you every moment of your reception, seeing to it that your dreams come true.

**“Thanks for making our day great.” Bonnie & Michael, September 2008**
